Your wedding day is one of the most important events in your life, and The Federated Church welcomes those planning to unite in marriage. The Federated Church and its ministers are pleased to share in this happy occasion. God is present as you plan your wedding, join in holy matrimony, and share your lives together. The following guidelines have been established for weddings held at Federated Church:

1. All wedding plans *must be approved* by the governing board of The Federated Church *before* the date can be scheduled on the church calendar.
2. Our wedding coordinator will be contacted in order to assist you, answer questions, and help coordinate your plans at the church.
3. The minister or associate minister presides at all weddings held at The Federated Church. If you wish to have another minister involved, this request must be made with the minister of Federated Church.
4. The Federated Church was built and is maintained by our members. We are willing to share our facilities with others, but require utilization fees from those who use our facilities for weddings.
