THE WORD

"The Lord answered, 'Martha, Martha! You are worried and upset about so many things, but only one thing is necessary. Mary has chosen what is best, and it will not be taken away from her.'"

Luke 10:41-42 (CEV)

Lord Jesus, teach us to look to you for everything we need. Amen.

THE WEEK IN REVIEW

We continue to make necessary improvements to our building grounds. Last week, a new security alarm system was put in place. If you have a north door key to the building, please contact the church office to get a code so you don't set the alarm off when entering the building. Thank you!

We had a great time during VBS last week! Three counselors (Aidan, Scott, and Crystal) from Clearwater Forest Presbyterian Camp joined us for the week and lead the kids in music, games, adventure Bible time, crafts, and learning more about the theme of community. Thank you to all the volunteers who provided snacks and lunches, hosted counselors, assisted with small groups, led crafts, and helped with whatever else needed to be done to make the week run smoothly!! It could not have happened without your help!

THE WEEK AHEAD

Benefit for Avery Peterson: Judy Friedrich's 5-year-old granddaughter, Avery, has Idiopathic Pulmonary Hypertension and a long road to recovery ahead of her. There is a donation drop off at Bank of the West (both locations) under the name "The Avery Peterson Benefit" for anyone wishing to help out financially. Donations and prayers are appreciated!

Karen and Jordan will be at the Presbyterian Youth Triennium in West Lafayette, Indiana this week. Please keep them and all the youth attending in your prayers.

Sign-up now for a Life Line screening, coming to The Federated Church this Friday, July 22nd. The 6 for Life Health Assessment measures your risk of developing 6 chronic diseases, including heart disease, congestive heart failure, stroke, diabetes, COPD and lung cancer. A customized report will determine which risk factors contribute most to your disease risk and are within your control to change. Finger-stick blood tests, along with biometric measurements are included with this assessment. Protect your health by registering today for the 6 for Life Health Assessment for \$79.
