

Welcome to Federated Church!

For everyone's safety:

Face masks are:

- Recommended for all persons.
- Required for public singing.

**Be considerate of
each person's space.**

**Wash or sanitize
your hands often.**

For the safety of all persons, we expect everyone to exercise good judgment and practice safe hygiene. Reflecting current guidance from the CDC and MN Department of Health, we encourage masking for all persons and particularly for persons who are not vaccinated.
