## A Covenant of Conduct for Youth

The Federated Church is fully committed to safeguarding and promoting the wellbeing of all its members. The Church believes that it is important that youth, parents, teachers, chaperones, youth leaders, and pastors should – at all times – show respect and understanding for the safety and welfare of others.

This Covenant of Conduct between youth, parents and church workers is provided to establish clear guidelines regarding behavior when participating in church programs, such as Kids' Club, Sunday School, Confirmation, Jr and Sr High Youth Groups, Lock-ins, retreats and trips, and is based on Christ's command to his disciples: *A new commandment I give to you, that you love one another* (John 13:34-35).

As participants in The Federated Church's activities, you are expected to abide by this Covenant of Conduct:

### YOUTH

---

**We will** show respect for individuals, the church community, and the facilities being used.

**We will** play by the rules and listen to instructions given by the leaders.

**We will** cooperate and show self-control.

**We will** be friendly to all and welcoming to new members.

**We will** play fairly and be trustworthy.

**We will** report any concerns or worries to an adult.

**We will** dress in a manner that is appropriate to the activity and to a Christian setting.

**We will not** bully others or cause physical harm to others.

**We will not** leave the group without telling an adult where we are going.

**We will not** use vulgar language or gestures.

**We will not** bring alcohol, drugs, or tobacco products onto church premises.

### PARENTS

---

**We will** encourage our youth to abide by this Covenant of Conduct.

**We will** support the leaders, chaperones, teachers, and pastors in enforcing this covenant.

**We will** participate fully in disciplinary measures as outlined below:

- *1<sup>st</sup> instance:* teachers will discuss the behavior with students and provide the student with a chance to show corrected behavior.
- *2<sup>nd</sup> instance:* teachers will discuss the behavior with students and parents.
- *3<sup>rd</sup> instance:* teachers may request that a parent accompany the student to activities and/or work with parents to find an acceptable solution.
