A Covenant of Conduct for Youth

The Federated Church is fully committed to safeguarding and promoting the wellbeing of all its members. The Church believes that it is important that youth, parents, teachers, chaperones, youth leaders, and pastors should – at all times – show respect and understanding for the safety and welfare of others.

This Covenant of Conduct between youth, parents and church workers is provided to establish clear guidelines regarding behavior when participating in church programs, such as Kids' Club, Sunday School, Confirmation, Jr and Sr High Youth Groups, Lock-ins, retreats and trips, and is based on Christ's command to his disciples: *A new commandment I give to you, that you love one another* (John 13:34-35).

As participants in The Federated Church's activities, you are expected to abide by this Covenant of Conduct:

YOUTH

We will show respect for individuals, the church community, and the facilities being used.

We will play by the rules and listen to instructions given by the leaders.

We will cooperate and show self-control.

We will be friendly to all and welcoming to new members.

We will play fairly and be trustworthy.

We will report any concerns or worries to an adult.

We will dress in a manner that is appropriate to the activity and to a Christian setting.

We will not bully others or cause physical harm to others.

We will not leave the group without telling an adult where we are going.

We will not use vulgar language or gestures.

We will not bring alcohol, drugs, or tobacco products onto church premises.

PARENTS

We will encourage our youth to abide by this Covenant of Conduct.

We will support the leaders, chaperones, teachers, and pastors in enforcing this covenant.

We will participate fully in disciplinary measures as outlined below:

- *1st instance:* teachers will discuss the behavior with students and provide the student with a chance to show corrected behavior.
- *2nd instance:* teachers will discuss the behavior with students and parents.
- *3rd instance:* teachers may request that a parent accompany the student to activities and/or work with parents to find an acceptable solution.
