### SCRIPTURE VERSE FOR THIS WEEK

*"[The kingdom of God] is like a mustard seed, which when sown upon the ground, is the smallest of all the seeds on earth; yet when it is sown it grows up and becomes the greatest of all shrubs, and puts forth large branches, so that the birds of the air can make nests in its shade." Mark 4:31-32 (NRSV)*

HYMN OF THE WEEK  
*As Rain from the Clouds*

### WEEKLY MILESTONES

Take a moment to tell or think about a recent mountain high and/or valley low in your life.

### CARING CONVERSATIONS

Discuss in your home, small group, or use for personal reflections:

- Describe your experience with gardening and planting seeds.
- Think or talk about a time you have seen an act of kindness make a big difference in someone's life.
- Jesus describes the reign of God through images of tiny seeds and growth. In what way is this a message about God's kingdom?

### DEVOTIONS

*Read:* Mark 4:26-34.

With Jesus' depiction of the kingdom of God, one would expect comparisons to something like spectacular cedar trees of Lebanon (Ezekiel 17:22 and Psalm 92:12) or some other vision of grandeur. Jesus chooses something more akin to a weed, a mustard bush that is prolific in Judea. It's an example that likely made his hearers chuckle, not gasp with indescribable awe; it's another example of getting people to see differently. Just as relentless as mustard bushes or weeds are, God's reign will not be deterred. It is like the seed planted that grows and grows without human intervention. As the Gospel of Mark gets underway, the message is that the kingdom is coming. The kingdom is viewed through surprising, even humorous comparisons. It will not be stopped, not by evil, not by scribes, not by disciples who fail again and again. Evil will be overcome, voices of the kingdom will be heard, and imperfect followers will keep pointing to Christ's victory over sin and death. How do you help others see the kingdom of God more clearly?

*Pray:* **Almighty God, help us to see and believe with the eyes of faith that your reign will win the day through Jesus Christ our Lord. Amen.**

### SERVICE

The smallest of seeds planted can become the largest of plants. Likewise, the smallest acts of kindness can grow to make a very large difference in someone's life. Think of someone who is not so visible or lonely and reach out to them. In what way does reaching out to them grow the kingdom of God?

### RITUALS AND TRADITIONS

Use a leafless branch and cut out leaf shapes. During devotion time this week, think or talk about ways you have seen and felt God at work in the world. Write down those ways on leaves and add them to the branch. Praise and thank God each time you add leaves by praying: **Dear God, we thank you for caring for us. May your presence in our lives help us to continue to grow and care for others, even in ways we may not see or understand. Amen.**
